KATY PERRY WEARS ARTISTIC COLOUR GLOSS AT THE GRAMMYS

Singer Katy Perry Glistens on the Red Carpet Like A Goddess

MISSOURI, USA (March 2015) – American singer and songwriter, Katy Perry, (known for hits including “Darkhorse”, “California Gurls”, and “Roar”), graced the red carpet at the 2015 Grammy Awards wearing **Artistic Colour Gloss, Goddess**. This colour added another element of shimmer to Katy’s sparkly ensemble with fancy nails dressed in a stunning metallic rose gold finish.

“She loved the shine and wanted to do something metallic that didn’t completely match her dress so it would pop,” celebrity manicurist Kimmie Kyees says. During the celebrity session, Kimmie provided a full mani and pedi at the Staples Center in Los Angeles, California as Katy prepped for the grand evening. After freshening up Katy’s artificial nails, Kimmie topped off the look with Artistic Colour Gloss Goddess – the perfect hint of glimmer to accent her dazzling dress.

Bring another dimension of luster, twinkle and flair for those formal occasions with Goddess. Add this stunning, metallic colour to your Artistic Colour Gloss collection now to make an unforgettable statement, every time.
