NAIL DESIGN

ROCK HARD POLYMER POWDERS

Whether you are encasing designs, creating perfectly structured extensions, French tips, 3D art designs, concealing imperfections or just want to create depth and interest to any design sculpture nail, Rock Hard offers a wide range of powders for your extensions, imperfections, designs, occasions, and hard to please clients that will Rock their world! For a perfectly round and shiny bead of Very Important Powder, dip your brush in Center Stage Liquid Monomer, release the excess liquid on one side of the brush on the side of your dampen dish, and then press one side of brush tips into powder.
